

## **Lake Pleasant area to ban motorized vehicles in July**

**MARICOPA COUNTY** — Authorities on July 1 will begin enforcing a ban on motorized vehicles in the conservation area at the north end of Lake Pleasant Regional Park, just south of Table Mesa Road.

“We are not shutting it down,” said Dawna Taylor, a county spokeswoman.

“You can still fish, camp, hike and ride your bike back there and do some picnicking. We are just not allowing motorized vehicle access back there anymore.”
